REMARKS

As provided in 37 CFR 1.97(g) and (h), the filing of this statement should not be construed as a representation that a search has been made, or that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 CFR 1.56(b). Moreover, this statement does not constitute an admission by the Applicant or the Applicant's Attorney that the information provided herein is necessarily prior art to the Applicant's invention.

It is respectfully requested that the documents cited in this Information Disclosure Statement (IDS) be considered by the Examiner, and made of record.

Copies of the documents as listed on sheet one of the enclosed IDS Document Listing, are enclosed. The enclosed documents are references of EP 0 702 323 A2, the European counterpart to USP 5,673,037 which was relied upon in rejecting certain claims presently pending herein in Section 17 at Pages 10-13 of an Official Action dated 11/07/2001, Paper Number 4 in the present application (before being removed per 35 USC 103c by virtue of common ownership). Applicant submitted an IDS in the present application on September 29, 2003 citing EP 0 702 323 and the European Counterpart EP 0 702 324 of USP 5,550,547, the other reference in Paper Number 4 which was removed pursuant to 35 USC 103c for common ownership. European Published Applications EP 0 702 323 and EP 0 702 324 were both published on March 20, 1996, prior to the effective filing date of August 9, 1996 for the presently pending claims herein.
